Earn While You Learn: Dual Enrollment Available

You can enroll in the Bookkeeping and Accounting Certificate and the Associate Degree in Accounting concurrently. This means once you complete your certificate, you can get to work sooner while completing your associate degree. If you have prior college credit, or you have already completed an associate degree at another institution, we will accept as many credits as possible (and potentially your entire associate degree) to help accelerate your Bryan program.

Further Your Education at the Bachelor's Degree Level

Once you complete your associate degree, you may consider continuing your education at the bachelor's degree level. Bryan University offers a renowned Bachelor of Science Degree in Business Administration with a Concentration in Accounting. If you have prior college credit, or you have already completed an associate degree at another institution, we will accept as many credits as possible (and potentially your entire associate degree) to help accelerate your Bryan program.
